

FRIENDS OF TEMPLE SOWERBY CE SCHOOL

May 2022

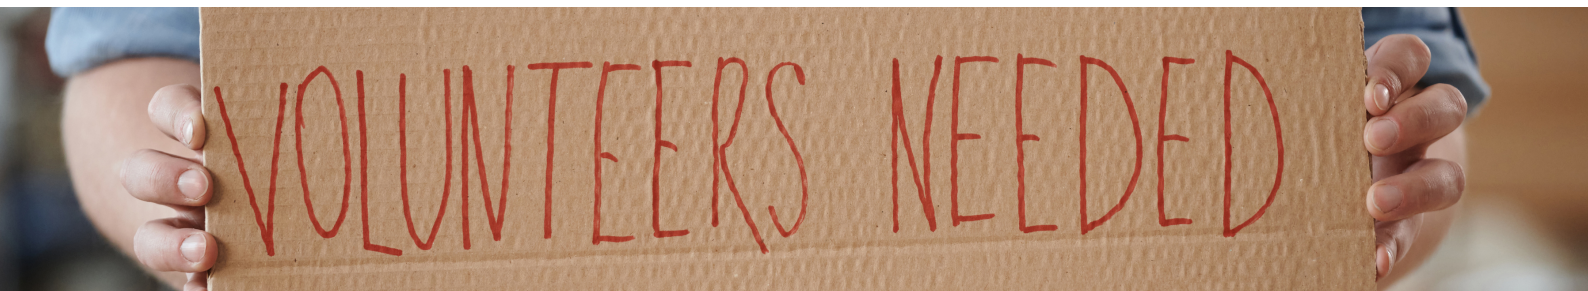

It's been a while since we were last in touch, so please find below a brief update about past events from earlier in this academic year and events coming up in the last half of this term!

Autumn & Spring Term 2021: Although there were still limitations to what we could do (due to COVID restrictions), it was really great to get back to being able to do something! Thank you to everyone in the school community who: contributed and purchased goods from the Harvest produce sale; who ordered Christmas cards etc; contributed to the Reverse Advent and brought in old clothing etc for the 'Bags2School' collection. These combined with the school discos meant we have raised a further £527 towards our current fundraising project - the refurbishment of the play equipment in the school playground.

Summer Term 2022: Thank you to all who came along (in the rain) to Tidy Friday, we managed to achieve a lot in an hour! FoTTS have always supported the refreshments for a number of school events during the summer:

- Monday 20th June, 1.30 – 3.30pm, Sports Day
- Thursday 23rd June, Kwik Cricket
- Tuesday 28th June, 1.30pm, Summer Performance (Community Showing)

Also, after a two-year hiatus we are delighted to confirm that we are looking to hold the annual FoTTS Summer BBQ on Friday 8th July from 6.00-8.00pm. This is a fantastic event for all the school community to come together. It is ticketed and open to all school families - we have the BBQ fired up, there is a bar, an amazing bring-and-share salad and pudding selection and activities for the children.

As always with FoTSS events, we can only make these successful with your help! For all the school events we would require support on the day with serving refreshments. Similarly for the BBQ we would also require support for various tasks, however we are aiming to try and do this on a rota basis so anyone helping only does so for a short time.

Straight after half term we will be putting up sign-up sheets for anyone that is able to offer their help for any of the events. Although the BBQ is in July, we really would like to get an idea of who may be able to help, as this will, ultimately have a bearing on whether we are able to go ahead.
